

Grad School Fair (AUS) - Monday, October 17, 2011 - 10:00 am - 3:00 pm - Shatner Ballroom

organization	website	overview	programs offered
Across the Pond	www.studyacrossthepond.com	Across the Pond offers free help and guidance to students wishing to study in Britain. We work with 20 quality universities across England, Scotland and Wales and help students with all aspects of applying, including: providing information about programs, entry requirements, application procedures, accommodation, finance, scholarships, visas and much more. Students are encouraged by their personal advisor to aim for excellence and attend a university that suits both their academic and personal goals. Funded by the universities that have appointed us to represent them in Canada, we are able to provide a free, personalized and comprehensive service to students.	All subject areas
Canada Law From Abroad	http://www.canadalawfromabroad.com	<p>Canada Law From Abroad is a mission-driven organization created by John G. Kelly, Canada's leading 'LLB accreditation reform advocate'. John has built a unique international education bridge to enable Canadian students to take advantage of a cutting-edge legal education in the U.K., the birthplace of the common law system and home to the world's great law schools. The new legal services career market is global and interdisciplinary. Traditional boundaries are breaking down and a new socio, political and business environment is emerging and converging. U.K. law schools are at the forefront in the design and delivery of innovative LLB and LLM degrees that give graduates a professional edge.</p> <p>Canada Law From Abroad is aligned with a core group of 6 top-tier U.K. law schools that provide cutting edge</p> <ol style="list-style-type: none"> 1. LLB degrees for those who want to practice law in Canada, the U.K. and the E.U., 2. Combined LLB/Maitrise en Droit (Master1) degrees 3. Combined LLB/LLM degrees 4. LLM graduate degrees for those who want to leverage their undergraduate field of study into dual disciplinary careers as 'legal experts' in variety of fields such as governmental policy makers and advisors, finance and business, environment, international relations, human rights, global mobility and migration, etc. 	Law
Canadian College of Naturopathic Medicine	http://www.ccnm.edu	<p>The Canadian College of Naturopathic Medicine (CCNM) is Canada's premier institute for education and research in naturopathic medicine. CCNM offers a rigorous four-year, full-time doctor of naturopathic medicine program.</p> <p>CCNM is also home to the Robert Schad Naturopathic Clinic, a dynamic naturopathic teaching clinic where senior clinicians and ND supervisors conduct more than 26,000 patient visits per year.</p> <p>The Canadian College of Naturopathic Medicine is accredited by the Council on Naturopathic Medical Education (CNME), the accrediting agency for naturopathic colleges and programs in Canada and the United States.</p>	Doctor of Naturopathic Medicine
Columbia University Graduate School of Journalism	www.journalism.columbia.edu	Columbia's master's programs provide journalists with a unique opportunity to hone and deepen their journalistic abilities at any point in their careers. Our mission is to give students the tools that will help them over the long term as journalists. These include intensive individual coaching in writing and reporting provided by the nationally renowned journalists on our faculty. They train students in journalistic techniques; familiarize them with all forms of journalistic media; teach them the history of our profession; and introduce them to the substance of complicated subjects that can't be understood through simple intuition. For more information about our programs and scholarship opportunities, visit our website at www.journalism.columbia.edu .	Journalism, Communication

Concordia University - School of Graduate Studies	http://www.graduatestudies.concordia.ca	<p>Located in the heart of dynamic Montreal, Canada, Concordia is an English-speaking, comprehensive university offering nearly 300 undergraduate programs and 200 graduate programs, along with many diplomas and certificates. Established in 1974, Concordia is built on a strong foundation of accessibility to education which continues to this day in our extensive program choice, course selection and flexible scheduling options. Our more than 900 faculty members are engaged educators as well as passionate researchers, furthering some of the most exciting fields today. As a two-campus university, we allow our students a variety of learning environments, from the bustling urban atmosphere of our downtown Sir George Williams Campus to the sprawling green space and historic architecture of our Loyola Campus located just 20 minutes away in Montreal's beautiful west end. As our campuses and learning community continue to grow so does commitment to creating a sustainable future for our students and our world.</p>	Accounting, Economics, Art History, Business, Journalism, Political Science, Communication, Phil, Environment, Geog, Art Ed, Biology, Chem, Education, Film, History, Humanities, Math, Physics, Psych, Religion, Sociology, Anthropology, Special Individualized Program, Admin, App Linguistics, Creative Arts Therapies, Edu Tech, English, Human Systems	
Dalhousie University	http://www.dalmba.ca	<p>Canada's only Corporate Residency MBA promises to provide opportunities for faster career placement in your chosen field whether you have just completed your undergraduate degree or are looking to advance your career. We accomplish this through an eight-month corporate residency that offers you the opportunity to work with one of Canada's leading employers in an exceptional, paid work experience.</p> <p>Starting in July of each year, our 22-month program integrates top employers throughout the academic process, is delivered by award-winning faculty and provides innovative, applied and experiential learning. The goal of our curriculum is to prepare talented and committed individuals to manage with integrity and make things happen in organizations throughout the world.</p> <p>Our commitment to personalized leadership development takes life in our Personal and Professional Effectiveness (PPE) curriculum. This core component of the Corporate Residency MBA is delivered at every stage of the program and provides you with responsible leadership and career management skills. This prepares you for both your corporate residency experience and your future career as an innovative and dynamic leader.</p>	Business	
Fordham Law School	http://law.fordham.edu	<p>Fordham Law School has provided a complete education in the law for more than 100 years. While the legal profession has changed during that time, the core mission of a Fordham Law education has not. We continue to value academic excellence and the lawyer's craft. We remain committed to ethics and to service. We still impart the warmth of community. Fordham lawyers have been and will continue to be dedicated to the highest standards of the legal profession and to the service of others. We call this the Fordham Law Difference.</p>	Law

Medill/Northwestern University	http://www.medill.northwestern.edu/	<p>Medill immerses students in practical, hands-on, real-world journalism.</p> <p>Students report from Medill's downtown and Washington newsrooms, and for those who choose an optional 5th quarter Global Media residency, in news organizations elsewhere in the world. All learn to use new digital tools to engage audiences with news and information they need and want to know.</p> <p>Integrated Marketing Communications</p> <p>IMC focuses on consumer and stakeholder behavior and needs, and the communication strategies organizations employ to foster engagement with a brand, cause or organization. Real-world, client/sponsor-driven projects help students gain the skills and knowledge they need to meet today's marketing challenges with creativity and innovation.</p>	Journalism, Integrated Marketing Communications	
Queen's School of Business - Executive MBA	execmba.com	Queen's MBA, Queen's Master of International Global Management, Queen's Master of Finance	Business	
Queen's University - School of Graduate Studies	http://www.queensu.ca/sgs	<p>Queen's School of Graduate Studies: www.queensu.ca/sgs</p> <p>Thank you for considering Queen's University for your graduate education. Queen's is different than other universities because while we are mid-sized, our programs have a high degree of research intensity. With over 50 graduate departments offering over 100 degrees, there is plenty to choose from. Graduate students often comment that at Queen's, you join a close-knit community with the world's best scholars, an ideal environment to set your ideas in motion. Also, expect strong support from the University — from funding support to support for housing, health and career advice needs, to mention a few. Expect to become part of the student community through the graduate student government, the Society of Graduate and Professional Students. You can look forward to living and studying in Kingston, Ontario, a beautiful small city where you can attend theatre, a symphony performance, sports events and many other cultural and recreational activities.</p>	Representing all graduate programs at Queen's	
Queen's University, Faculty of Law	law.queensu.ca	Queen's Law enjoys a prestigious national and international reputation for excellence in teaching, scholarship and learning. University of Miami School of Law	www.law.miami.edu	From its beginnings in 1926, Miami has emerged as one of the nation's leading institutions of legal education. Faculty members, who are leaders in their scholarly and professional fields, offer a highly talented and diverse student body a rich and challenging curriculum along with a wide variety of professional skills training opportunities. Miami's version of globalization has a distinctive North-South cast, but its commerce — like that of Latin America and the Caribbean — is inextricably linked to the economies of Canada, Europe, and Asia as well. The Law School is located on the beautiful main campus of the University in Coral Gables, Florida, an area acclaimed for its lush foliage and elegant Mediterranean style. The campus has all of the advantages of being a short distance from the vibrant legal and business communities of South Florida. With its international flavor and tropical climate, lively calendar of events and natural splendors, Miami is a truly unique place to live and learn.	Law	
University of New Brunswick - School of Graduate Studies	http://www.unb.ca/gradstudies/	<p>Join students from all over the world who enjoy what UNB offers best — individual attention from world-class researchers in a small, friendly, supportive atmosphere. Our faculty and staff are easily accessible and go that extra mile for you.</p> <p>The environment is one of collaboration where you'll work side-by-side with the passionate minds who are changing the world — from planning the next manned mission to Mars to helping put an end to breast cancer.</p> <p>"I like the fact that I'm not just a student number, and that all of the staff and faculty know me by my first name."</p> <p>We offer programs in 32 Graduate Academic Units. We're ranked as one of Canada's top 5 comprehensive universities and our programs are among the best in the country.</p>	Psychology, History, Political Science, Interdisciplinary Studies, Education, English, Classics and Ancient History, Anthropology, Sociology, Policy Studies	
University of Ottawa - Faculty of Graduate and Postdoctoral Studies	http://www.grad.uottawa.ca/Default.aspx?tabid=1406	The University of Ottawa is Canada's largest bilingual (French/English) university. With over 38,000 students, including close to 6,000 graduate students, we are also one of Canada's top 10 research institutions. We offer over 160 graduate programs in our faculties of Arts, Education, Engineering, Health Sciences, Law, Medicine, Social Sciences and at the Telfer School of Management. Our location in the heart of Canada's capital provides innumerable benefits to our students including enriched learning opportunities through partnerships with the region's many hospitals, national research facilities and governmental organizations.	Graduate and Postdoctoral Studies	
University of Southern California- Viterbi School of Engineering	http://viterbi.usc.edu/map	The USC Viterbi School of Engineering's graduate program is consistently top ranked in the U.S. News & World Report rankings. Our newest degrees are Financial Engr., Health Systems Mgt. Engr., Green Technologies and EE - Electric Power. For those debating between graduate education and work, the flexibility of Viterbi School's Distance Education Network (DEN) is the perfect solution. Through DEN, 30+ MS degrees are available 100% online. Our distance students receive a fully equivalent academic experience, so students earn the same degree whether online or on-campus.	Engineering	
University of Toronto - School of Graduate Studies	http://www.gradschool.utoronto.ca	<p>The mission of the School of Graduate Studies is to promote excellence in graduate education and research University-wide and ensure consistency and high standards across the divisions. Sharing responsibility for graduate studies with graduate units and divisions, and operating through a system of collegial governance, consultation and decanal leadership, SGS defines and administers university-wide regulations for graduate education.</p> <p>SGS also provides expertise, advice and information; oversees the design and delivery of programs; organizes reviews and develops performance standards; supports diversity, equity, fairness, and ethical conduct in graduate education; organizes services and financial assistance to graduate students; encourages a close and positive relationship between research and graduate instruction; and represents the cause of graduate education at the University of Toronto in the wider academic and general community.</p>	Economics, Political Science	

University of Waterloo - Graduate Studies	grad.uwaterloo.ca	University of Waterloo, located at the heart of Canada's Technology Triangle, is one of Canada's leading comprehensive universities. Waterloo embraces its connections to the world and encourages enterprising partnerships in learning, research and discovery. For further details, visit grad.uwaterloo.ca.	Accounting, Economics, Art History, Business, Journalism, Law, Political Science, Communication	
York University, Schulich School of Business	www.schulich.yorku.ca	<p>Known as Canada's Global Business School™, the Schulich School of Business in Toronto is ranked among the world's leading business schools by a number of global surveys. Schulich's MBA program is ranked #1 in the world by the Aspen Institute (a Washington, DC-based leadership think tank) in a global survey that identifies which schools are doing the best job of preparing future business leaders for the environmental, social and ethical complexities of modern-day business. Schulich's MBA program is ranked #1 in Canada by Forbes, The Economist and Expansión (a Time Warner publication based in Mexico City). The Kellogg global network of EMBA partner schools, which includes the Kellogg- Schulich EMBA, is ranked #1 in the world by The Wall Street Journal, and the Kellogg-Schulich EMBA is ranked #1 in Canada by the Financial Times of London.</p> <p>Global, innovative and diverse, Schulich offers business programs year-round at two Toronto campuses — its new state-of-the-art complex on York University's main campus and its downtown Miles S. Nadal Management Centre located in the heart of the city's financial district. The School also offers the Schulich MBA in India – one of the first MBA programs to be delivered in that country by a leading international business school from outside India. In addition, Schulich operates satellite centres in Beijing and Shanghai, China; Mumbai, India; Seoul, South Korea; and Moscow, Russia. Schulich offers undergraduate, graduate and postgraduate business degrees that lead to careers in the private, public and nonprofit sectors, and has more than 21,000 alumni working in approximately 90 countries. Schulich pioneered Canada's first International MBA (IMBA) degree, as well as North America's first ever cross-border executive MBA degree, the Kellogg-Schulich Executive MBA. Schulich's Executive Education Centre provides executive development programs annually to more than 16,000 executives in Canada and abroad.</p>	Accounting, Economics, Art History, Business, Journalism, Law, Political Science, Communication
